COMMISSIONER FOR PATENTS

OFFICE OF PETITIONS

PETITION FOR FILING BY OTHER THAN ALL INVENTORS
UNDER 37 C.F.R. 1.47(A)

Dear Sir:

Applicants Young Suk Chung, Suk Gu Ko, Sung Sik Jang, Young Nam Choi, and Won Chul Do hereby petition the Commissioner to accept the filing of the above identified U.S. patent application by other than all of the inventors. Their co-inventors, Byung Hoon Ahn and Jae Hun Ku, refuse to participate in the application.

The last known residence addresses for Messrs. Ahn and Ku are:

Byung Hoon Ahn	Jae Hun Ku
113-301 Doklipmoon Kukdong Apt., 200	101-201 Yongma Dongah Apt.
Hyungjeo-dong, Seodaemoon-gu	Myeonmok-dong, Jungnang-gu
Seoul, Republic of Korea	Seoul, Republic of Korea

The facts concerning the status of Messrs. Ahn and Ku and the efforts made to obtain their participation in the application are set forth in the accompanying declaration of the undersigned, James E. Parsons. Briefly, Messrs. Ahn and Ku left the employment of a Korean subsidiary of Assignee Amkor Technology, Inc., ("Amkor"). To Amkor's knowledge, they joined a competitor company, ST Assembly Test Service, Ltd. ("STATS") of Singapore. Amkor has contacted STATS' attorneys concerning this application and have

requested the participation of Messrs. Ahn and Ku in the present application, but have not obtained any cooperation from them.

The names and address of STATS' attorneys, with whom Amkor has been instructed to deal concerning employees of STATS, are:

Davinder Singh, Esq. and Jupiter Kong, Esq.

In a larger context, the present application is just one of several where former employee/inventors of Amkor have refused to participate in Amkor's patent applications since joining STATS. Amkor and STATS compete in the same semiconductor industry sector, namely, semiconductor packaging, assembly, and testing. Moreover, Amkor and STATS have legal disputes in both the U.S. and Singapore. This situation makes it unlikely that Messrs. Ahn or Ku will participate in these patent applications absent a change in the relations of Amkor and STATS.

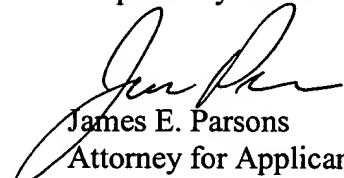

In view of the diligent, albeit unsuccessful, efforts to obtain Messrs. Ahn and Ku's participation in the present application, co-inventors Young Suk Chung, Suk Gu Ko, Sung Sik Jang, Young Nam Choi, and Won Chul Do respectfully request the grant of this petition.

The petition fee required by 37 C.F.R. 1.17(i) may be charged to Deposit Account 19-2386. A duplicate copy of this petition is being submitted herewith.
